

# Declaration of Freedom

*As we celebrate Independence Day, let us consider being  
In Dependence on God, instead of suffering in bondage  
to the wrong jobs or careers for the sake of money.*

*When in the course of human events it becomes necessary for one person to dissolve the bands that have connected them to another ...*

**Monthly expenses  
I can cut**

**Things I own  
I can sell**

**Debt  
I can pay-off**

*I hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights that among these are Life, Liberty and the pursuit of Happiness ...*

## **Write down your gifts**

Experience – My background – Personal, educational, vocational

Abilities – What I do best – Talents, knowledge, skills

Personality – How I do what you do best – My natural behavior

## **And your passions**

Interests – What I like best – People, places, things and activities you enjoy

Values – What is important to me – My work and life purpose and principles

*I declare that I will not only count as blessings that God has given passions and gifts, but also He has given me the opportunity to explore, educate and employ them in service to others to the manifold glory of His grace. In order to free myself from bondage to job and money, I hereby declare that I will do what is necessary to cut my spending, sell things I do not need, pay off my debt and accept the freedom I am meant to live.*
